Entries

From 12-9pm, Player Extras Club members playing with their Club card inserted into any video gaming machine at the time of the drawing are eligible to win. One (1) winner will be selected within each hour via CMP's pick random player function to play Hi Lo. Must be present to win. Players have 5 minutes to report to the Player Extras Club or their prize will be forfeited and a new winner will be selected via Hot Seat drawing. If they report to the PEC, but do not have proper photo ID, they will be given 30 days to come back with valid ID to claim their prize. If they do not come back within 30 days, their prize will be forfeited.

Playing the Game

- The game will be played with a standard 52 card deck.
- A PEC Rep will shuffle the cards and then ask the winner to cut the deck.
- Once the deck has been cut, the PEC Rep will flip over the top card and the game will start.
- The player must guess if the next card in the deck will be higher or lower than the first card that was flipped over.
- After the guess, the PEC Rep will flip over the next card, and the answer is revealed.
- If the player's guess was correct, the player may continue on, or quit.
- If the player wants to continue, the process will be repeated, where they have to guess if the next card will be higher or lower than the previously revealed card.
- The player may quit at any time & walk away with the winnings they have earned. If they make an incorrect choice, their prize amount will drop back to \$100 Free Play.
- If at any point, the player makes an incorrect guess, their winnings will drop to \$100 FP and the game will be over.
- **Players will be allowed one incorrect guess while attempting to win the \$100 or \$150 level only without penalty.**
- The card value from low to high is: 2, 3, 4, 5, 6, 7, 8, 9, 10, Jack, Queen, King, Ace.
- If the card that is flipped over matches the previous card, it will not count and another card will be flipped. IE: Previous card is a 6 and the next card flipped over is also a 6. When this happens we will just flip the next card with no penalty to the player.
- Prize amounts are as follows:
 - 0 correct = \$50 FP
 - 1 correct = \$100 FP
 - 2 correct = \$150 FP
 - 3 correct = \$200 FP
 - 4 correct = \$250 FP
 - 5 correct = \$350 Cash
 - 6 correct = \$500 Cash
 - 7 correct = **PROGRESSIVE**
- The progressive amount will start at \$1,000 cash and will increase by \$250 for each non progressive winning attempt. When the progressive is hit, the prize will revert back to \$1,000 for the next drawing.
- Any progressive amount remaining at the end of the 11pm drawings will revert back to Saratoga Casino and Raceway.
- Must be present to win. Players may only win once per day. Winners must present valid photo identification to be deemed the winner. Management will verify winners Club membership and identification.

Exclusions:
