### Press Your Luck Progressive

Thursdays: March 7, 14, 21 and 28, 2013 & Saturday, March 16, 2013

One winner, via Hot Seat, every hour from 1pm-10pm.

PEC membership and valid photo identification are required to enter contest. Membership is free. Winners must be 18 years or older.

#### **Entries & Eligibility**

PEC members playing with their Club card inserted into any video gaming machine at the time of the drawing are eligible to win.

If a guest is present, but does not have valid photo ID, they will be allowed to participate and will be given 30 days to present valid photo ID and claim their prize.

#### **Drawings**

The drawings will take place at the PEC every hour from 1pm-10pm on each drawing date. For each drawing, one (1) winner will be selected via CMP's Pick Random Players function. The winners will be announced via loud speaker and will be instructed to visit the PEC within 5 minutes of hearing their name announced to claim their prize. If a winner does not report to the PEC within 5 minutes, another winner will be chosen.

#### **Press Your Luck Progressive**

One (1) winner will be selected each hour, via Hot Seat, to pick clovers off the "Press Your Luck" game board.

The Press Your Luck game board will have 20 clovers for the winner to choose from. Players may pick clovers, one at a time, to reveal their prize. The clovers may reveal any of the following prizes and symbols:

- 5 = \$50
- 4 = \$75
- 3 = \$100
- 1 = \$150
- 1 = \$250
- 4 = Leprechauns (game over if selected)
- 1 = Horseshoe (if you select this, you will not lose everything after the first Leprechaun selected).
- 1 = PROGRESSIVE – starts at \$500 and increases by \$500 every time it's not hit.

Players may pick as many clovers as they like. Each winning clover will add to their prize amount. Players may choose, at any time, to stop and keep their winnings. If the Players select a clover with a Leprechaun on it, the game is over and they will lose their entire prize amount, except for a \$50 Free Play consolation prize. If they select a Horseshoe, then they will be rewarded a free pass to cancel out the first Leprechaun they select, allowing them to keep their winnings. They may then choose if they want to continue the game.

The first \$500 in prizes will be awarded as Free Play. Anything more than \$500 will be awarded as cash.

The Progressive amount will start at \$500 and increase by \$500 every time it is not hit.

*For example:*

- The Player's first clover they selected is worth \$50 Free Play. The player then chooses another clover that is worth \$250 Free Play. Their winnings now add up to \$300 Free Play. The player decides to select a third clover and reveals a Leprechaun. The game is now over and the winner loses the \$300 Free Play. The winner will walk away with a consolation prize of \$50 Free Play.
- If the Player had selected the horseshoe for their third clover, the game would have continued and the player would keep all of their winnings. If the Player then selects a clover with a Leprechaun on it, the Player uses their Horseshoe to "cancel out" the Leprechaun and will not lose their prize money. The Player can then choose to either continue playing or quit.

After the 10pm drawing, the progressive resets back to \$500 for the following week.

#### **Exclusions:**

If the winner is currently banned or excluded from SCR, they will not be eligible to win and a new winner will be drawn.
