Foal Naming Contest Rules and Regulations

Winner Announced: October 28, 2016

1 Winner: Dinner for 2 in Morton's® the Steakhouse + one night hotel stay

Patrons may join the Foal Naming Contest at www.SaratogaCasino.com for a chance to win dinner for two in Morton's® the Steakhouse (\$200 value) and a one night hotel stay (standard room). To enter, guests must submit their information and foal name via the online entry page.

Patrons have until 3pm on **October 20** to submit their contest entry. A panel of judges will then deliberate, and at 3pm on **October 25**, the top three (3) submissions will be announced via social media. The panel of judges will then select one (1) top winner from the final 3 submissions on **October 28**. The winner will be announced on social media and will also be notified via email by the end of business on October 28. Swag prizes will be awarded for 2nd and 3rd place finishers.

The contest entry form link will be made available to patrons on Facebook, Twitter and email list members. Only one entry per person will be accepted. Participants must be 18 years of age and older.

From U.S. Trotting Association naming rules, patrons will be made aware that names are limited to 18 characters and four words including spaces, dashes and apostrophes.

The panel of judges will also take the following USTA Foal Naming Rules into consideration when selecting the top 3 finalists:

- Name choices that sound like a name already in use are not allowed. For example, if a horse is already registered by the name Aladdin we cannot accept the name choice Aladinn.
- Names of outstanding horses are taken forever and cannot be used again.
- Registered farms may reserve names for their use only. These names can only be used with the permission of the farm. For example, HANOVER and PAN are reserved farm names.
- Some names are reserved for a family line. The sire or dam must have the family name in their own name before it can be used for the foal. For example, the names DRAGON, BUNNY, and NIA are family names.
- Names become available 15 years after a horse last raced or produced a foal. If a horse is recorded as deceased before it races or is used for breeding the name becomes available. If a horse never races and is not used for breeding the name becomes available 15 years after the horse was born.
