RACE STAGING – 4-RACE PADDOCK

Revised 6/24/2021

There will be four races in the Paddock at a time. Only stalls on the outside walls of the Paddock will be used for races. Odd races will use the stalls on the left wall as you enter the Paddock. Even races will use the stalls on the right. (See attached diagram).

Horses may warm up on the main track or the jog track.

Do not attempt to enter the Paddock before the scheduled Horse time. Refer to the attached Paddock Times & Lasix Schedule for Horse time.

When your race is called up, gather all equipment and stage for departure.

At the completion of the race, unless selected for post-race testing:

- Horses stabled on the grounds must return to their barns for bathing.
- Ship in horses stabled in Barn C should return to Barn C and use the outdoor wash stalls for baths.
- Ship in horses stabled in Barn B should use one of the center stalls in the Paddock labeled WASH STALL.
- Horses in the last four races may return to their Paddock stall for bathing.

If a horse is selected for post-race testing, NYSGC personnel will direct the trainer/groom to one of the center Paddock stalls labeled TEST STALL.
